

February 20, 2018

Dear Community Partner:

We would like to give you the opportunity to be one of the first to support the CFBISD Council PTA in our new and expanded fundraising campaign. We are having an exciting year for our member PTA's with the goal of "high achievement for each student" as our major focus.

Council PTA is offering four ways for your business to collaborate with us and our members. They are:

- participate in the virtual vendor fair,
- sponsor one of our newsletters
- sponsor a table for your business at our vendor fair to be held May 12, 2018
- make a cash donation and receive a decal for your business window

Each will help provide financial support to PTA while also providing exposure for your business. The enclosed form details each of the sponsorship opportunities. Just check the way(s) you would like to participate and enclose a check payable to CFBISD Council PTA. We will do the rest.

Thank you for your support of all Carrollton Farmers Branch schools and PTA.

Sincerely,

Cindy Castillo
